TO : Google Ads verification

Greetings

I, Lokendra Singh Saingar, am the sole operator of the website <https://antiviruspoint.org>, which is managed under my company Infinty Solution.

This website promotes cybersecurity and antivirus software through affiliate marketing. I participate in affiliate programs for antivirus brands such as Norton, McAfee, and Bitdefender through public affiliate networks like CJ Affiliate and 2Checkout. However, I currently do not have affiliate approval emails available.

I affirm that:

I manage all advertising campaigns and website content independently.

I do not sell antivirus software directly, nor do I fulfill orders or offer support on behalf of any brand.

I do not claim to be an official reseller, partner, or representative of any antivirus brand.

All activity complies with Google Ads policies and the terms of the affiliate platforms I use.

This letter is submitted in support of my Google Ads advertiser verification.

Sincerely,
Lokendra Singh Saingar
